Property Description

"We love that our home is in such a great location with just 5 mins to Culverhouse and 15 mins to Cardiff City centre. You're surrounded by trees and have great walks on your doorstep but also close enough to the city and town. Love that the beach isn't too far away and that it's quiet place to live. The garden is private with lots of sun. We have a Golwg y Coed Facebook page and our little community always looks out for one another. The house is bigger than it looks from the outside and the kitchen is at the front so you don't have people looking in while you're sat down watching television!"
